Turn over

INSTRUCTIONS TO THE TEACHER

- (a) This paper consists of one performance task on how to wash a cotton handkerchief (white or coloured).*
- (b) This performance task is to be done individually.*
- (c) The teacher should guide the learners on how to source for the cotton handkerchief.*
- (d) The teacher should guide the learners in sourcing for appropriate laundry work equipment and materials.*
- (e) Learners can share laundry work equipment and materials.*
- (f) Learners should be encouraged to improvise equipment where possible.*
- (g) Learners are not required to buy new laundry work equipment for this task.*
- (h) The teacher should ensure that learners observe safety while carrying out this task.*
- (i) The teacher to ensure that learners are dressed appropriately for the practical for safety and hygiene.*
- (j) The teacher to provide each learner with a copy of the checklist at the end of the practical to respond to the questions.*
- (k) The teacher should collect the filled checklists from each learner and score as per the scoring guide.*
- (l) The teacher should use the scoring guide to assess the learners as they carry out the task.*

TASK: WASHING A COTTON HANDKERCHIEF (WHITE OR COLOURED)

To accomplish the task;

- a) Individually, search for information on how to wash a cotton handkerchief from both print and digital media.
- b) Individually, learners to write the procedure for washing a cotton handkerchief.
- c) The teacher to guide the learners on the correct procedure for washing a cotton handkerchief.

1.0. On the Day of Assessment

- a) Individually, bring either a white or coloured cotton handkerchief to wash.
- b) Individually, bring all the necessary equipment and materials for washing.
- c) Individually, wash the handkerchief.
- d) Submit the washed and dried handkerchief to the teacher for scoring.

2.0. Instructions to the Teacher on the Day of Assessment

- a) The teacher will observe, assess and award scores using the scoring guide provided as the learners:
 - (i) Assemble washing equipment and materials,
 - (ii) Wash the cotton handkerchiefs,
 - (iii) Clean the equipment used,
 - (iv) Fill the checklist.
- b) The teacher will provide each learner with a copy of the checklist attached.
- c) The teacher will ask the learners to express their feelings on the washing process by filling the **checklist**.
- d) The teacher shall award scores to the learner only if the skill is demonstrated by the learner.
